

## Nurse Practitioner

**Base Salary:** Salary is commensurate with experience

**Employment Type:** Full Time

**Work Hours:** Anticipated work schedule: Days Monday-Thursday 8am-5pm, Friday 8am-4pm

**Location:**

575 Sioux Point Road

Dakota Dunes, SD

4301 Sergeant Road

Sioux City, IA

Light travel to outreach clinics in the area.

**Qualifications**

- NP
- Hold an unrestricted license as Nurse Practitioner in IA, SD and NE
- Graduate of an accredited program
- Must have excellent communication skills demonstrated by the ability to communicate clearly, written and oral, to patients, insurance companies, pharmacies, physicians, and staff.
- Demonstrate a high level of professionalism, be patient focused, and must work well with team members.
- We are looking for a good clinician who is a fast learner with a strong work ethic and a desire to treat patients ethically and compassionately.

**Responsibilities:**

- Perform medical examinations and evaluations, diagnoses, treatment, follow-up, consultation, and health education.
- Obtain patient histories and develop patient care charts, ensuring completeness and accuracy.
- Supervise and/or coordinate the activities of patient care and/or support staff.
- Prescribe or adjust medications.
- Work in close collaboration with our team of head and neck surgeons.
- We plan to train the right candidate so **ENT experience is not essential.**
